Adobe Creative Cloud

Adobe Creative Cloud Software is included on all Nursing owned devices.

When you start working at the School of Nursing, an Adobe account is automatically created for you. Follow the steps below to access your account.

What is Creative Cloud? - Adobe Creative Cloud is a collection of apps, web services, and resources available through the UPenn subscription, that can be installed by Nursing Users as needed.

Logging into Creative Cloud

Upon opening the Creative Cloud application, you will be prompted to sign in:

1. For Email Address, Enter: ***pennkey*@upenn.edu**
2. Click **Continue**
3. If prompted, select "sign in with Enterprise SSO"
4. This will redirect to the familiar Penn WebLogin page. Enter your Pennkey credentials.
5. You will be prompted for 2-Step Authentication.

Software Installation - Once you log into Creative Cloud, you will see a list of programs included in the Creative Cloud suite. Any application that says "Install" in the rectangle tile, is free to install.
