SimCapture Self Enrollment - Instructions

Step 1: Enter https://upennson.simcapture.com/login into your browser **(*Chrome is recommended*.)**

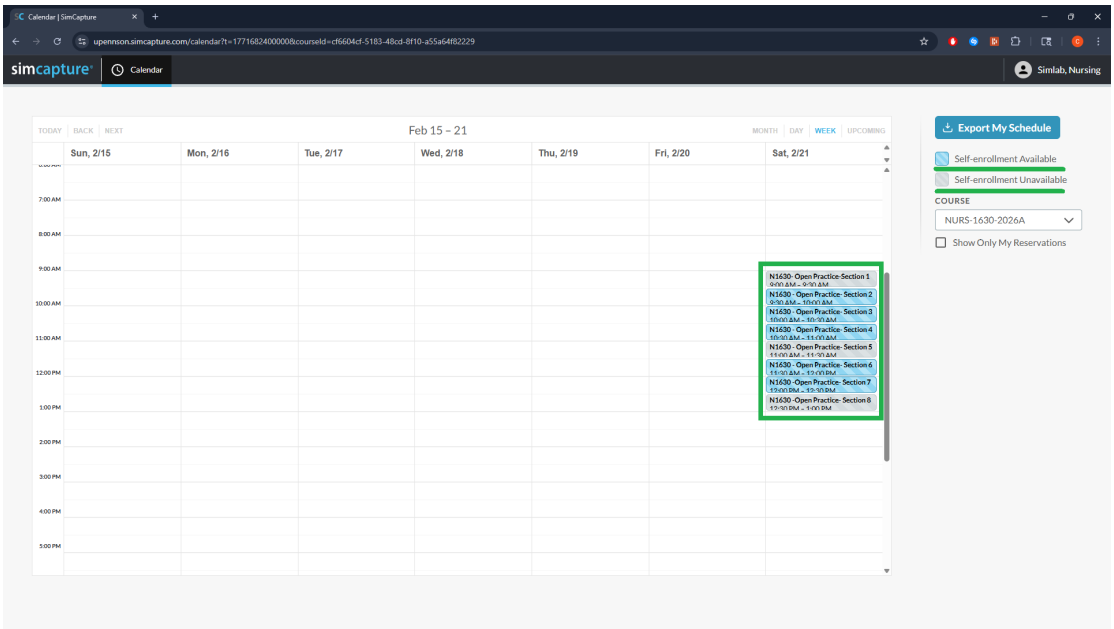

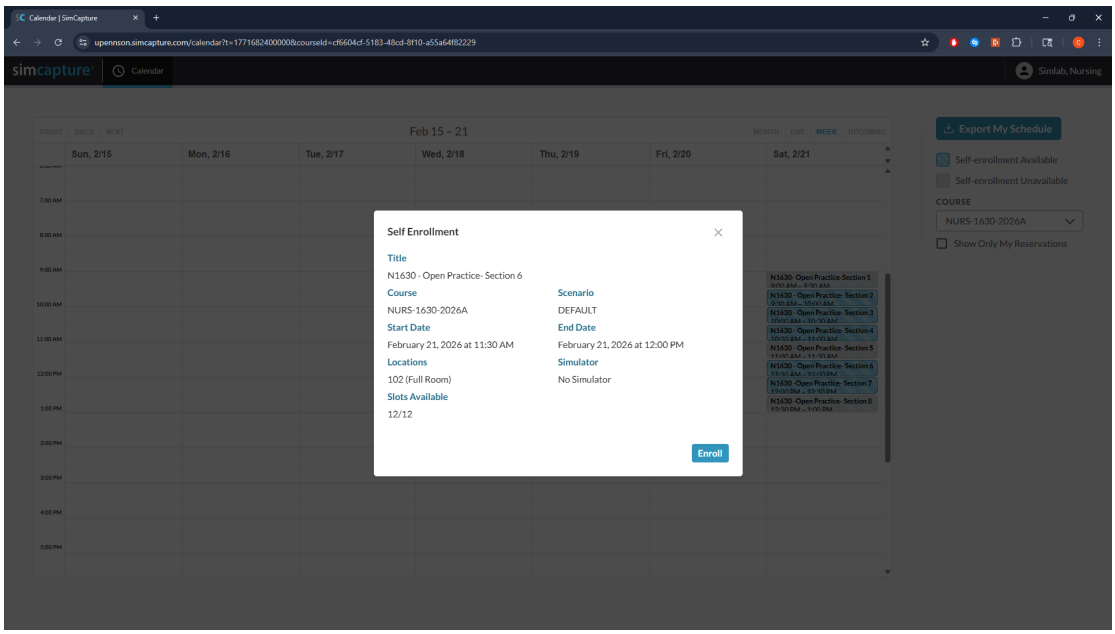

Step 2: Please select **"Single Sign-On"** and log in using your PennKey and PennKey password.

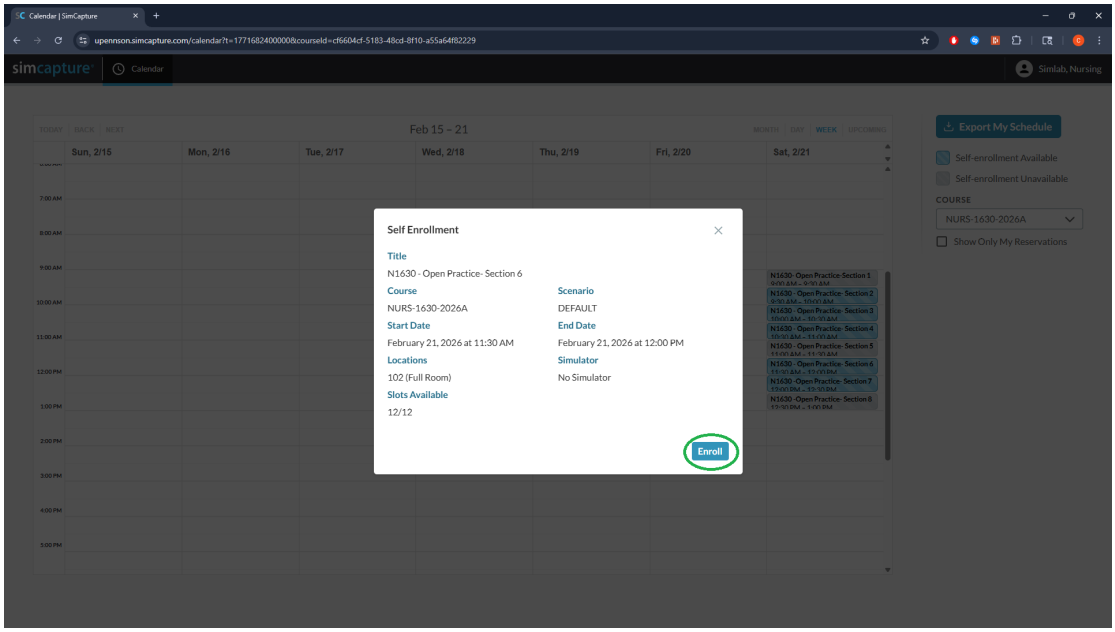

Step 3: Navigate to the Self Enrollment option under "My Courses." *(You may have to scroll down on your page to see this section.)*

Step 4: A window will open showing available sections for enrollment. Make your selection and click “enroll.”

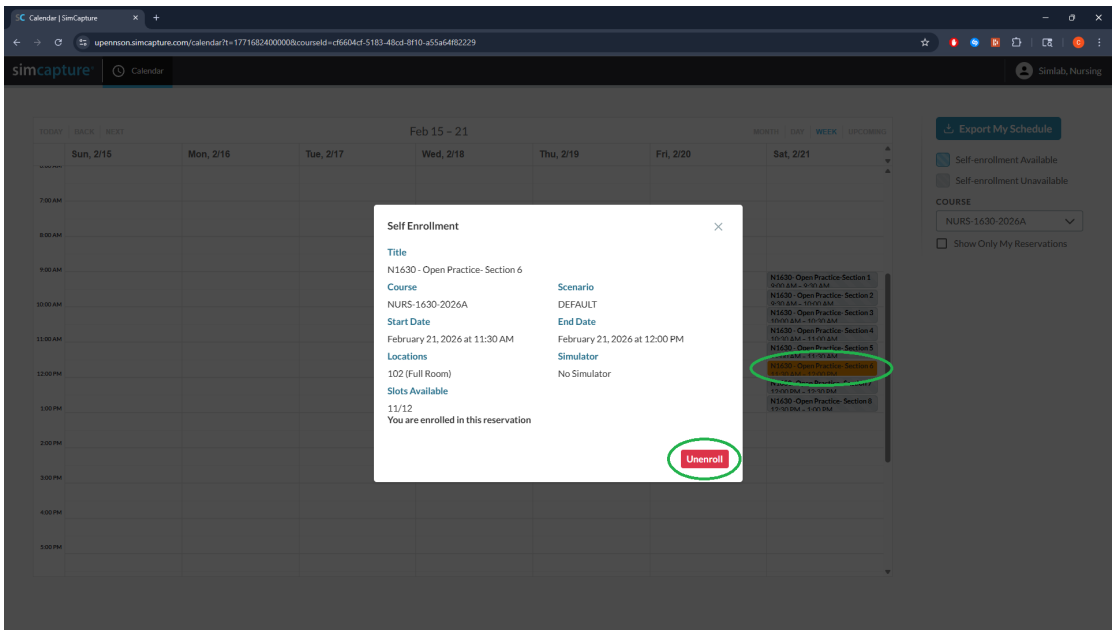

Step 5: A summary of your chosen sections will be saved. This will be visible under the section titled “My Courses”.

**If you wish to un-enroll or change section selections, you may do so by re-entering the “Self Enrollment” options.

When you make your change, remember to click “save” in order for the changes to be processed correctly.

For issues with self-enrollment, scheduling, or to confirm whether your username is listed in the system as “active” or “inactive,” please contact Simulation Education Specialists.

To reset your PennKey password, please visit this link.
