May Patch Tuesday

2017-05-09 - Kimberley Byrd - Patch Tuesday

Today is Patch Tuesday and Microsoft releases critical security patches for servers and desktop/laptop computers. In order to reduce the risk to School systems, ITS will deploy the patches to Nursing domain machines at 4:00 A.M.tomorrow morning; all machines will automatically reboot at that time. Additional information can be found here.
Should you have any questions, please contact the ITS Service Desk.
